

Kirton Point Primary School

29th January 2018

Dear Parents and Carers,

Welcome back to school for 2018!

My name is Sarah Jackson and I am your child's Year 2/3 classroom teacher. I have been a teacher in Port Lincoln since 2015 and have moved to Kirton Point Primary School this year. I am originally from Adelaide but I love Port Lincoln, especially all of the wonderful beaches and natural resources. I love talking my dog for big adventures on the weekend and exploring the amazing areas around town.

For the first few weeks in our classroom we will focus on creating a safe and supportive learning environment. We will be learning how to work as a team, how to be kind to each other and how to have a growth mindset when things get challenging.

The **Parent Information Session** will be on Wednesday the 14th of February. I will provide you with some important information about our class and school events on that evening. There will also be opportunity for you to bring questions or discuss your child's learning with me. If there are any other times in the year that you wish to chat with me, I will be in the classroom before and after school each day or you can call the school to contact me. If there is anything I need to know about your child before the Parent Information Session, please contact me through the school on **8682 1003**.

Swimming for our class will be in Week 6 this term; more information will come home later in the term. It would be great to see lots of healthy foods in your student's lunch box this year to help them learn and play at their best. Also, just a reminder that all students need a hat to play outside during Term One and students are expected to wear uniform while at school.

I hope we all have a fun first week of school and I'm looking forward to meeting you!

Sarah Jackson
