

Kirton Point Primary School

Welcome to Room 22 – Year 1/2 with Miss McConnell

29th January 2018

Dear Parents/Guardians,

I would like to take the opportunity to introduce myself as your child's Year 1/2 teacher. My name is Lauren McConnell and I am new to both Kirton Point Primary School and Port Lincoln. I grew up in Port Augusta, where I have spent the last two years teaching, before recently relocating. Already I feel welcomed in the community and I am so excited to be here teaching your child in 2018.

To begin the term, Room 22 will have a focus on building relationships and our own class culture. During this time we will discuss both learning and behaviour expectations and I hope to learn plenty about your child to assist their learning needs. If there is anything I should know about your child before the Parent Information Night, please feel free to contact me at the school on 86821003 or come and talk with me in person in the classroom. I value positive home/school communication and encourage parents and carers to be involved in their child's school life where possible.

The Parent Information Night will be held on Wednesday of Week 3 (14th of February) with our session being held between 5:30-6:15pm. During Week 5, our class will attend swimming lessons at the Leisure Centre. Later in Term 1, interviews will be held between students, care givers and myself. Additional information on these events and more will be distributed throughout the term.

In line with the school nutrition policy, students should bring a drink bottle with water only, and fruits and vegetables for our daily Crunch and Sip time. For your child's best chances in learning it would be fantastic to see them coming to school with healthy and nutritious food in their lunch boxes. In order to be sun smart in Term 1, broad brimmed hats are required at all times when outside, and are available for purchase from the school front office.

I am looking forward to a successful school year and meeting you soon.

Lauren McConnell
