

Kirton Point Primary School

29th January 2019

Dear Parents and Carers,

Welcome to Kirton Point Primary School for 2019.

My name is Irene Tsalamangos and I am your child's Year 4/5 classroom teacher. I am originally from Adelaide and have moved to Port Lincoln to commence my teaching career. I have worked closely with children in various roles and settings (Childcare, OSHC, Code Camp and Temporary relief Teaching). These experiences have helped me gain great knowledge and skills, as well as creating professional relationships/connections. I thrive on new developmental experiences, adapting to new environments and upskilling my current expertise. Port Lincoln is such a beautiful town and has so much to offer the community. I am interested in learning more about Port Lincoln and being part of the community. I have recently joined the SES (State Emergency Service).

In the first couple of weeks, we will focus on establishing a safe and respectful learning environment. The values and expectations of the schools will be addressed to ensure we are making positive choices so that we can be active role models of the community here at Kirton Point Primary. Students are expected to wear school uniform, and a hat during break times. Student must not have their mobiles on them during school hours, all devices must be handed to the front office. It would be great to see a variety of healthy foods in your student's lunch box to help them be active and learn at school.

I would like to take this opportunity to invite you to a **Parent Information session on Wednesday 13th February 6:15 – 7:00 in Room 22**. If there is anything I may need to know about your child before the Parent Information Session, please do not hesitate to contact me at the school on **8682 1003**, or alternatively call to make a time to drop into Room 22 before or after school for a chat.

I am looking forward to meeting everyone in the near future and to a productive and enjoyable year with your children.

Regards

Irene Tsalamangos
