

KPPS Room 22 Newsletter

Week 10, Term 2 2018

The first half of this year has flown by, and I am so proud of the progress the students have made thus far.

Literacy

The students have enjoyed writing our whole class book 'A Picnic is Coming', based on this term's focus text 'Big Rain Coming' by Katrina Germein. Through this text the students have also learnt about using adjectives (describing words) and time frames (e.g. 'On Monday...' 'Last week...') in their writing.

Please continue reading daily with your child. This may look like your child reading to you, or perhaps to a sibling, a pet or a toy. If you're having trouble engaging your child in reading at home, you could also try reading to them. Seeing their parent value reading might just be the motivation they need.

Maths

During the second half of the term we have been focusing on place value. The students have had fun learning through games, including 'place value roll' and the 'bundling' game. As you can see in the Learning Portfolio, they even made their own Place Value Robots and calculated what their robot was worth.

Assembly

On Friday of this week at 10am, we are presenting the assembly with Mrs Staunton's class. Your child will be performing a gymnastics routine with Mrs Jolly and will also be singing a Spanish greeting song. We would love for you to come along and watch.

Please enjoy looking at this Learning Portfolio with your child and celebrating their achievements. It would be fantastic if you could please return your child's Learning Portfolio to school by the end of this week. School recommences on Monday the 23rd of July. Thanks for your ongoing support!

Lauren McConal
