

KIRTON POINT PRIMARY SCHOOL

has a 'HIGH RISK' bushfire rating.

However on a catastrophic fire day the staff of this school will be unavailable to your children, so our school will be **CLOSED**.

School buses and taxis will not operate within the Fire Ban District.

Bushfire Emergency Contact:

School/Preschool number: **86821003**

Please note that this number may be engaged during an emergency situation and you may not be able to get through immediately.

2014/2015 Fire Danger Season Information for Families

The Fire Danger Season can be an anxious time for children and families.

Our schools and preschools in bushfire prone areas have emergency plans, called Bushfire Action Plans, to keep everybody as safe as possible in the event of a bushfire.

By being prepared, and acting now, you will help our schools and preschools to be bushfire ready and keep our children as safe as possible.

Thank you for your support.

How you can help:

We ask parents and carers to:

- Read all bushfire information provided.
- Talk to your children about what will happen if a bushfire occurs when they are at school or preschool.
- Make sure your emergency contact details are up-to-date with our school or preschool.

Days of Catastrophic Fire Danger Rating:

Catastrophic fire danger rating days are days when the weather conditions mean a fire is more likely to start and is more difficult to control.

When a catastrophic fire danger rating is forecast for the following day by the Bureau of Meteorology, all 'low/medium risk' schools and preschools (such as ours) in the declared Fire Ban District will remain open.

School buses and taxis services that travel through affected Fire Ban District(s) will not operate.

Parents and carers will need to make alternative transport arrangements for their children on these days.

Please make sure your emergency contact details are updated before the Fire Danger Season starts.

Approaching Bushfire:

If our school or preschool is open and a bushfire is approaching, the safety of children is our highest priority.

The South Australian Police (SAPOL) and the Country Fire Service (CFS) will take charge if a bushfire is approaching. They recommend that in such an event, **everybody should remain at their school or preschool unless instructed to do otherwise.**

Principals and preschool directors must comply with SAPOL and CFS instructions.

If the police have not advised the school or preschool to evacuate then everyone will remain inside a designated building (Bushfire refuge) and emergency procedures will be activated. These will include:

- Moving everybody inside, closing windows, doors, and turning off the air-conditioning.
- Filling available containers with water.
- If it is safe to do so and time permits turning on all sprinklers and irrigation systems.
- Remaining inside and activating fire drill procedures with the children until the main fire-front passes.
- Listening to local ABC Radio Station and FIVEaa radio stations for bushfire updates and information.
- If possible, communicating to parents that students are moving into the Bushfire refuge.

We hope that we will never have to enact our fire drill procedures. However we are working with our school and preschool communities to be bushfire ready in the event of a bushfire emergency and trust that parents and carers will add their support.
