

Kirton Point Primary School

28-1-20

Dear Parents / Caregivers,

Welcome to Kirton Point Primary School for 2020. My name is April Duggin and I will be teaching the Year 4/5 class in Room 10. During the last eighteen years I have taught Years 5/6, 4/5 and 2/3 and the 3 years prior to that I was working as a Permanent Relief Teacher within the Port Lincoln area. During this period I spent a reasonable amount of the time at Kirton Point Primary working with all students.

During my teaching career I have taught at Port Augusta, Jervois, Aberfoyle Park Campus, Moana and Alberton. While I was at these schools I undertook various roles such as Physical Education Teacher. I am interested in P.E. and I enjoy playing hockey.

I am looking forward to working with your children this year and achieving many things with them.

If you would like to help out in the classroom or to find out how your child is progressing please feel free to make a time to talk to me.

As part of our reporting process this term we will be having Parent / Teacher / Student conferences at the end of Term 1.

During Term 1 students will be having swimming lessons. More information to come.

The children will use diaries which they will bring home every night. Their dairies are a good way to communicate between school and home. Weekly spelling words will also be in their diary on Mondays, beginning in Week 2. Their diaries will be in their bag. The children will receive their reader within the next couple of days. Also, a reminder that hats are required in Term 1 and that water and fruit is recommended to support nutrition and learning.

I would like to take this opportunity to invite you to a **Parent Information session on Wednesday 12th February.**

I am looking forward to meeting everyone in the near future and to a productive and enjoyable year with your children.

Regards,

April Duggin.
