Kirton Point Primary School

Welcome to Room 25 - Foundation with Miss Hynes

28/1/20

Hello my name is Kate Hynes and I am really excited to be teaching and learning with your child in Room 25.This in my seventeenth year at Kirton Point Primary

My partner Craig and I enjoyed a relaxing holiday with our boys, Jarrah and Oakley.

I hope that Room 25 will be a fun, positive and rewarding environment where your child will be involved in active hands-on learning experiences. We will begin the term by settling into our new class, learning the daily routines, visiting the school values and developing our own shared classroom values and expectations. *Circle Time* and *Play is the Way* learning will be used to help with this.

Buddy Reading runs from 8.45am-910am each day. Older students join the class for this and caregivers are most welcome, this is a lovely time for you to interact with your child and other students as well.

Room 25 swimming lessons will be held within weeks 8-11 of Term 1 (more information to come).

In Numeracy, we will begin with a number focus. As part of the whole school focus, the Junior Primary will be teaching phonics through the InitialLit program.

Please feel free to come and talk with me in person or via the school telephone (86821003) regarding your child. I am looking forward to working together with families to help your child grow into life long learners.
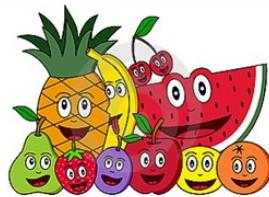

Reminders

Parents are invited to the Parent Information Session in Week 3, in Room 25

(More Information to come).

All students must wear a broad brim hat at all times when outside during Term 1.

As part of the school nutrition policy students should bring

along a drink bottle with water only, fruit and vegetables for

our daily Crunch and Sip time, as well as providing healthy eating

choices for recess and lunch.

Please ensure your child arrives to School on time, School begins at 8.45am. Being on time helps to set your child up for a successful day.

Looking Forward to meeting you, *Kate Hynes*
