Timeline

- I was born in Ceduna, South Australia.
- I moved to Port Lincoln in 2003. I attended the Port Lincoln Primary School.
- I completed my senior schooling at Port Lincoln High School.
- I moved to Adelaide in 2015 and went to Flinders University where I completed a Bachelor of Primary teaching /Bachelor Arts majoring in Physical and Health Education.
- I spent my time in Adelaide and Uni holidays working as a school sports coach, swim instructor and a Vacswim coordinator.
- I returned to Port Lincoln at the beginning of last year and completed my first year of teaching at KPPS as a year 3/4 teacher.

About me

My name is Chelsea and I am excited to be your child's teacher for 2020.

I have 2 older brothers . I also have a dog, her name is Macy.

I look forward to our learning journey together throughout the year.

ROOM 6

Term 1

To begin the term , Room 6 will have a focus on building relationships and our own classroom culture. During this time we will discuss both learning and behavior expectations and I hope to learn plenty about your child to assist their learning needs. If there is anything I should know about your child before Parent Information Night, please feel free to contact me at the school on 86821003 or come and talk with me in person in the classroom. I value positive home/school communication and encourage parents and cares to be involved in their child's school life where possible.

The Parent Information Night will be held week 3. It would be great to meet you then, and share some information regarding upcoming events, reequipments and class information.

Reading Books

Reading books will be sent home each day , along with your child's diary , inside a folder. When listening to your child read , please record the book and sign their diary on the appropriate week/day. Please keep diary and reading books inside the folder to protect them.

Communication:

Your child's diary will come home each night for any notes "home to school" or "school to home". Spelling words will be written into the diary on Mondays for students to practice if they have time. As diaries are new to some students, please help to guide your child in using it regularly and filling it in correctly with the week and starting date. Please let your child know if you have written a note so that they can inform me.

Reminders

All students must wear a broad brimmed hat at all times when outside during Term 1.

As part of the school nutrition policy, students should bring along drink bottles, with water only, and fruit and vegetables for our daily Crunch and Sip time, as well as providing healthy eating choices for recess and lunch.

I am looking forward to a successful school year and meeting you soon.
