

Kirton Point Primary School

28th January 2020.

Dear Parents and Caregivers,

Welcome to room 22! My name is Kenidee McNamara and I will be your child's teacher for 2020. This is my first year at Kirton Point Primary and my first classroom. I am very excited to begin my career in this amazing school. I am originally from Tumby Bay and moved to Adelaide for four years to complete my teaching degree, before moving back home.

The beginning weeks at school will focus on creating a safe and supportive learning environment. We will participate in cooperative learning games, team building activities and challenges as well as discuss school expectations and values.

The parent information session will be held in Week 3. It would be great to meet you and share information regarding upcoming events, school requirements and class information. This is an opportunity for you to ask any questions and discuss your child's learning. If you are unable to attend you are welcome to arrange a meeting with me before or after school, or call the school for a discussion (8682 1003).

Students in year 6/7 will have the opportunity to attend Aquatics at Coffin Bay in either week 4 or 5. More information regarding this will be handed out closer to the date. It would be ideal if students were attending school with a bottle of water and a healthy food for our 'Crunch and Sip' break. Please remember students are expected to wear correct uniform and broad brimmed hats must be worn in Terms 1 and 4 in order to play outside. A communication book will be given to each student and sent home at the end of each school day. This book will be used for communication between myself, the school and you. Feel free to communicate with me via this book as well.

I hope week one is successful for both you and your child.
I am very excited for the year ahead and to meet you.

Kind regards,

Kenidee McNamara
