

Room 7 Newsletter

Term 3 Week 5

Cooking is really fun. I was in the group that made the Focaccia Bread. I mixed the ingredients together. We made a good team.

Zayden

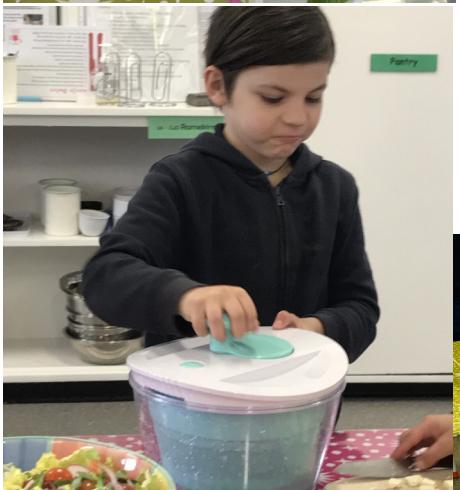

My group made the Pasta Bake. I cut up some onion and some beetroot I did lots of dishes. I liked eating the bread the most. I didn't like the salad or the pasta bake.

Nikita

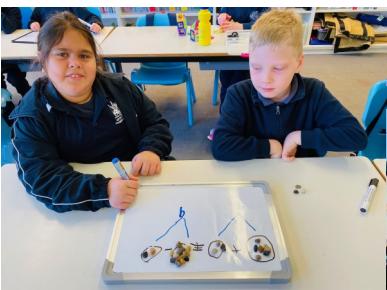

When we cooked I was in the group that made the salad. My job was to make the dressing. Then I was a butler and it was my job to clean the room and do the serving. I cleaned up the whole room very nicely. I liked eating the salad with my dressing and the bread. The pasta was good too. Osten

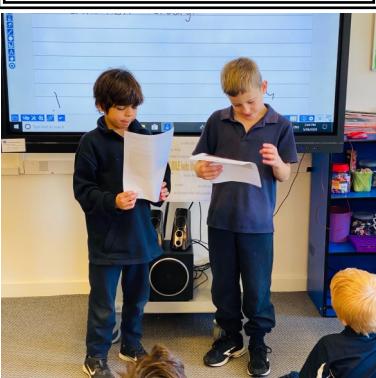

In cooking we had to knead the dough so that it was smooth and mixed together properly. It was messy and fun. Dara

MATHS

In Maths we have been learning about balancing equations and the meaning of equals to help us understand that addition, subtraction and multiplication are all about balancing one side of the equals sign with the other. We have been working on strategies to solve addition and subtraction problems too.

HAASS

We researched and recorded interesting facts about a variety of species of frogs. We presented our findings to the class.

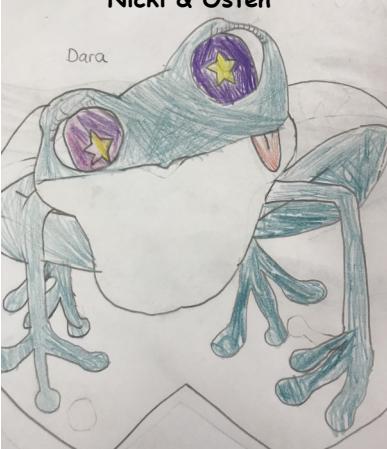

Did you know that...
Tomato frogs are found exclusively in Madagascar. They feed on insects and worms.

Aiza & Dara

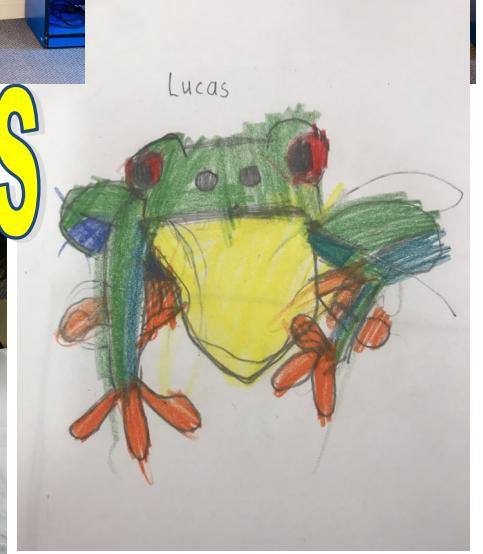

Did you know that...
The Golden Poison Frog is one of the most toxic animals on Earth?

Their venom was used by indigenous Columbians on the darts of their blowguns!
Nicki & Osten

Notices

- Thanks to all the parents who have supported their students to return their Learning Portfolio folders.
- For all those families who have not yet connected to our class **Seesaw** account I urge you to do so. It's a great way to share the learning that's happening in the classroom and an easy way to contact me if need be.
- We continue to remain vigilant with cleaning practices in the classroom. Please remember to keep your child home if they are unwell.
- Please keep a look out for **Parent/Teacher/Student Conference** forms which will be coming home in the next couple of weeks. It would be really great to catch up with all families as we head into the last term of 2020.
- There will be 2 **Student Free Days** in Week 6 on Thursday 27th August and Friday 28th August.
- Reminder that **swimming** will commence for Room 7 students in **Week 7**. Please return consent forms and payment if you have not already done so.
