

School Improvement Plan Summary

Kirton Point Primary School

Goals	Targets	Challenge of Practice	Success Criteria
Goal 1: Increase the number of students achieving the SEA in Reading R-6	<p>2022: 62% of year 1 students (15 out of 24 students) to achieve SEA in Phonics Screening Check. 56% of year 3 students (13 out of 23 students) to achieve SEA in NAPLAN Reading. 22% of year 3 students (5 out of 23 students) to achieve HB in NAPLAN Reading.</p> <p>2023: 60% of year 3 students (12 out of 20 students) to achieve SEA in NAPLAN Reading. 53% of year 5 students (8 out of 25 students) to achieve SEA in NAPLAN Reading.</p> <p>2024:</p>	<p>If we prioritise evidence based and targeted differentiated wave 1 teaching by having high expectations in reading for all learners, then we will see an increase in the number of students achieving the SEA in Reading</p>	<p>We will see each student use taught short vowels, common long vowels and consonant blends and blend then to read 1 syllable words when we review student assessments.</p> <p>We will see each student use strategies for constructing meaning from texts, including literal and inferred meaning when we review student assessments</p>
Goal 2: Increase the number of students achieving the NMS in Writing	<p>2022: 58% of year 5 students (15 out of 26 students) will achieve NMS in NAPLAN Writing. 65% of year 3 students (15 out of 23 students) will achieve NMS in NAPLAN Writing. 22% of year 3 students (5 out of 23 students) will achieve HB in NAPLAN Writing.</p> <p>2023: 48% of year 5 students (10 out of 21 students) will achieve NMS in NAPLAN Writing.</p> <p>2024:</p>	<p>If we prioritise evidence based and targeted differentiated teaching by having high expectations in writing for all learners, then we will see an increase in the number of students achieving the SEA in Writing</p>	<p>We will see each student use taught phonemes and morphemes to spell words with common letter patterns and visual memory to spell high frequency words when we review student assessments and writing samples.</p> <p>We will see each student use taught vocabulary and incorporate these words into their own texts when we review student writing samples.</p> <p>We will see each student use sentences, clause-level grammar and word level grammar to construct meaningful sentences when we review writing samples.</p>
Goal 3: Increase the number of students achieving the SEA in Numeracy	<p>2022: 61% of year 3 students (14 out of 23 students) to achieve SEA in NAPLAN Numeracy. 54% of year 5 students (14 out of 26 students) to achieve SEA in NAPLAN Numeracy.</p>	<p>If we prioritise evidence based and targeted differentiated teaching by having high expectations in mathematics for all learners, then we will see an</p>	<p>We will see each student:</p> <ul style="list-style-type: none"> count to and from taught numerals, subitise, partition and use friends of ten use the base 10 system

12% of year 5 students (3 out of 26 students) to achieve HB in NAPLAN Numeracy.

2023:
66% of year 5 students (10 out of 15 students) to achieve SEA in NAPLAN Numeracy.

2024:

increase in the number of students achieving the SEA in Numeracy

- say, read and write taught numerals
 - solve problems involving the four operations using a range of strategies
- when we ask questions of them when they are completing learning tasks.
