Governing Council Report

We once again had a healthy number of parent representatives on the Governing Council.

Over the course of the year our meetings consisted of data analysis conversations, sharing with parents our successes and also areas of improvement, whilst increasing their data literacy. Idea sharing for improvements to the school facilities and services, as well as, the school sharing our actions to address the school improvement priorities.

We also spoke about our HR structures, staffing structures and how these would positively impact on student outcomes. There was consistent open communication about the school finances and how we were using these to increase the positive school experience for all students.

A thank you goes to the members for continuing to want the best for their children’s school and ensuring that the voice of the school community is heard to shape Kirton Point Primary School.

Attendance Comment

In South Australia, all children and young people must be in school from 6 years to 16 years old. They must attend a government or non-government school full time. From age 16 to 17 however, young people must attend school or an approved learning program (such as an apprenticeship, traineeship, accredited course or university). Schools and parents must encourage and support students to come to school every day. Parents and caregivers must make sure their child is enrolled in a school, and attends school all day and everyday it is open, unless a child is sick or has an approved exemption. Teachers and leaders actively follow up when a student misses school, including recording all absences and non-attendance. All schools in South Australia have local attendance procedures governed under the Education and Children's Services Regulations 2020.
